understaffed, underpaid, hate their job, or just hate prisoners, or just horribly led/organized, last but not least, corrupt & working for someone else.

7/24 just given dinner, I prayed & asked for help, I did not know how to proceed (eat or cont. fast) mother & father
I decided to first get some water as I made my way I saw my drawing w/ 'Water holds you' instead of 'Mother' a sure sign I am safe to and can rely on water to sustain me. A slight hallucination but the timing & hunger I felt made it a sure sign, I was considering eating. Today Mike called me an Alien, told me of hearing crazy voices, UFOs & Astral travelling outside his body. Today I'm

in his room,
which is quite
disgusting, splattered
w/ blood, & snot,
vomit, shit also
who knows. We
talked for
a while
on our

way to the Dalles & I remembered Colton Fisher 2 years younger on our way, speaking of the allusions in the Bible, Mike thought I doubted Jesus & the father, when I doubted the Bible he said You can trust the King James version. He did not want me to question his faith for the Bible and war of Good vs Evil was

he spoke of black magic & trying to heal, women who tricked men into killing, another w/ a bird nest & a dead bird in her hair. Mike 62 sold lots of Meth & through using believed he attained power, which I dont doubt - the ringing in the ears he explained so similar to my condition. And on our ride I was very goodish in good spirit next to Mike, making light of the sexist, material, generally unvaried sound of country songs. Boombox or boondocks anyone seen Boondock Saints? Nope, but when they spoke of Movies (the 2 we met, Gabe & tall bald white guy) I asked if they'd see it here & Gabe explained that's why he got the tat on his left ear, which I was so curious to ask about. His arm, free style tat - slightly embarassed I gave congrats - so similar designs I was happy to laugh - 'I'm gonna steal those tats' I said, but those designs were already in my head!

some key verses "Do charitable deeds in secret" 'The lamp of the body is the eye; if eye is good, whole body will be full of light' - 'No one can serve 2 masters' 'do not worry about your life, what you will eat or what you will drink' 'look @ the birds in the air, neither sow nor reap or gather in barns' & I questioned the jail as opposed to the forest, a place worse to fast - For I see no birds.' I was happy w/ Mike & Fisher in our new 'pen' I said we should do bible study to help each other mend. He claimed Apache origins & a greedy brother - I'm unsure to trust but - Matt 7,3 - 'why look @ the speck in bros eye but not that
